NEITS Joseph Sussman Student Scholarship
Sponsored by Liddell Brothers

Two awards of ($1,000 each) are available to be awarded this year. The scholarships are open to:

- An individual student conducting independent research or
- An individual student conducting research as a part of a research team who is currently performing research tasks related to Intelligent Transportation System (ITS) for either public or private sectors. The awards are open to current undergraduate and graduate students enrolled in universities in the New England states of ME, VT, NH, MA, RI and CT. Applicants must submit all the information requested below to the NEITS Scholarship Committee, neits.scholarships@gmail.com no later than November 30th, 2020.

The scholarship committee is looking for students that are working on innovative ideas and research in ITS. Entries are encouraged to focus on improving the resilience of ITS related Transportation Services during emergencies such as climate related emergencies, pandemics or infrastructure failures. The awardee(s) will be announced during the NEITS Virtual Roundtable to be held in December 2020.

<thead>
<tr>
<th>Scholarship Requirements</th>
<th>Scoring Criteria</th>
</tr>
</thead>
<tbody>
<tr>
<td>The attached application form with a research abstract (500 words maximum). Include citations (if any) at the end of the abstract.</td>
<td>25% of the overall score is for the application form and research abstract and research contribution (if applicable).</td>
</tr>
<tr>
<td>Additional requirement for individual student applicant conducting research as a part of a research team</td>
<td></td>
</tr>
<tr>
<td>A statement (no more than 250 words) describing the roles and responsibilities of the applicant in the research project and the applicant’s contributions to the research project.</td>
<td></td>
</tr>
<tr>
<td>A copy of an unofficial transcript for the student and a faculty recommendation letter or a referral letter from the employer. The recommendation or referral shall state the applicant’s capabilities in terms of the potential for growth, character, leadership capacity and interests in the ITS industry.</td>
<td>This accounts for 25% of overall score.</td>
</tr>
<tr>
<td>The student’s resume which shall include a description of the student’s activities in the ITS field. Also, the resume should include extra-curricular activities in sports, campus activities, service organizations, charitable institutions, honor societies, publications, etc.</td>
<td>This accounts for 25% of overall score.</td>
</tr>
<tr>
<td>A succinct and comprehensive statement (no more than 1,000 words) of the objective and scope of the student’s future plans, which shall include the type of work for which the student is preparing. Also, it should include a statement describing why the student thinks that s/he should earn the award. This represents 25% of the overall score.</td>
<td>This accounts for 25% of overall score.</td>
