<http://cee.umass.edu/faculty/emily-kumpel>

EDUCATION

- Ph.D. (2013) Civil and Environmental Engineering, University of California, Berkeley
 Civil Systems Program
 Dissertation: *Water Quality and Quantity in Intermittent and Continuous Piped Water Supplies in Hubli-Dharwad, India*; Advisor: Dr. Kara Nelson
- M.S. (2007) Civil and Environmental Engineering, University of California, Berkeley
 Civil Systems Program
- B.S. (2006) Mechanical Engineering, Johns Hopkins University

POSITIONS HELD

- 2017 - Assistant Professor, Department of Civil and Environmental Engineering,
 University of Massachusetts Amherst, USA
- 2013 - 2016 Senior Research Scientist (2015-2016), Research Scientist (2014), Research Associate (2013)
 Aquaya Institute, Nairobi, Kenya
- 2011, 2013 Graduate Student Instructor, Civil and Environmental Engineering
 University of California, Berkeley
- 2006 - 2012 NSF Graduate Research Fellow and Chancellor's Fellow, Civil and Environmental Engineering
 University of California, Berkeley

PEER-REVIEWED PUBLICATIONS

* student advisee; ^a student advised while at the Aquaya Institute; ^c co-first author publications

25. **Kumpel, E.**, C. MacLeod, K. Stuart, A. Cock-Esteb, R. Khush, R. Peletz (2020). From Data to Decisions: Understanding information flows within regulatory water quality monitoring programs. *npj Clean Water*. *Accepted*.

PEER-REVIEWED CONFERENCE PROCEEDINGS PUBLISHED

1. **Kumpel, E.**, A. Sridharan, T. Kote, A. Olmos, T. Parikh (2012). *NextDrop: Using human observations to track water distribution*. USenix Networked Systems for Developing Regions 2012, Boston, MA, June 2012

COURSES TAUGHT

Department of Civil and Environmental Engineering, University of Massachusetts Amherst, Amherst, MA

CEE370: Introduction to Environmental and Water Resources Engineering (4 units, undergraduate, required) – Fall 2017 (59 students); Fall 2018 (60 students); Spring 2020 (24 students)

CEE 597D: Water, sanitation, and global development - (3 units, graduate elective; developed as a new course) – Spring 2017 (19 students); Spring 2018 (13 students); Spring 2019 (11 students)

CEE 597B: Potable Water for Disadvantaged Communities (3 units, graduate elective; co-taught with Dave Reckhow, Anita Milman, and Tim Ford) – Fall 2017 (17 students)

STUDENT ADVISING

*co-advised/co-chaired; IS=Independent study

Postdoctoral Scholars Advised

Kaycie Lane	CEE, UMass Amherst	2020
-------------	--------------------	------

*Graduate Student Committees Chaired*Current

Nelson da Luz	PhD	CEE, UMass Amherst <i>Perrell Fellowship, Awarded 2017</i>	in progress
Mariam Alkattan	PhD	CEE, UMass Amherst	in progress
Bridgette Charlebois*	MS	CEE, UMass Amherst	Expected 2021
Hannah Wharton	MS	CEE, UMass Amherst	Expected 2022

Graduated

Savannah Wunderlich*	MS	CEE, UMass Amherst	2020
LeighAnn D'Andrea	MS	CEE, UMass Amherst	2019

*Graduate Committee Participation*Current

Kyle Onda	PhD	Urban Planning, University of North Carolina, Chapel Hill	Expected 2019
-----------	-----	---	---------------

Graduated

Josh Soper	MS	CEE, UMass Amherst	2020
Griffin Moriarty	MS	CEE, UMass Amherst	2019
Brooke Stebbins	MS	Environmental Health, UMass Amherst	2019
Sam Downes	MS	CEE, UMass Amherst	2019
Will Yan	MS	CEE, UMass Amherst	2018
Nick Zinck	MS	CEE, UMass Amherst	2018
Stephanie Hung*	MS	Environmental Health, UMass Amherst	2018
Aaron Gichaba	MS	Egerton University, Nakuru, Kenya	2015

*Undergraduate Research Advising*Current

Tom Roberts	Honors	CEE, UMass Amherst	2020-
-------------	--------	--------------------	-------

Graduated

Emma Guertin	IS	CEE, UMass Amherst	2019-2020
Emily Bonaccorso	IS	CEE, UMass Amherst	2019
Mitchel Ghantous*	IS	CEE, UMass Amherst	2018-2019
Akshay Delity	IS	Mechanical Engineering, UMass Amherst	2017-2019
Hannah Wharton	Honors	CEE, UMass Amherst <i>Honors Research Grant 2019</i>	2018-2019
Stephen Stamegna	IS	CEE, UMass Amherst	2018-2019
Bridgette Charlebois	IS	CEE, UMass Amherst	2018-2019
Farah Rawas	IS	CEE, UMass Amherst	2017-2018

Graduated - Committee Participation

Siddhi Rathi	Thesis	Vellore Institute of Technology, Chennai, India	2018
Isabella Cobble	Honors	CEE, UMass Amherst	2018-2019

Additional Student Mentoring

Advisor for UMass-Amherst Mechanical Engineering Senior Design Project, *Low-cost portable DIY incubator for measuring microbial water quality*, 2018-2019

FUNDED RESEARCH PROJECTS

Total as a PI: \$1,055,270 Total as co-PI or co-I: \$1,665,404

“Water Quality in DCR Reservoirs 2020-2022,” Massachusetts Department of Conservation and Recreation, Division of Water Supply Protection, 07/2020-06/2022, \$290,000. PI: **E. Kumpel**; Co-PI: J. Tobiason, C. Guzman

“Sustainability Comparison Study: Centralized vs POU/POE Treatment for Small System Compliance to the SDWA.” Water Quality Research Foundation, 4/2020-3/2022, \$143,872. PI: **E. Kumpel**; Co-PI: D. Reckhow, J. Tobiason.

“NNA Track [2]: Developing Arctic Village Resilience to Future Water Cycle, River Systems, and Coastal Change,” National Science Foundation, 1/01/20 – 12/31/21, \$246,802. PI: **Kumpel, E.** (co-I), Brigham-Grette, J. (PI), Gleason, C. (co-PI), Duttler, T. (co-PI), co-I: Cook, T.L. (co-I), Richardson, J. (co-I), Woodruff, J.D. (co-I), Butler, C. (co-I).

“IRES Track 1: Envisioning the Water, Electricity, and Sanitation Utilities of the Future through a US-Kenya Collaboration.” National Science Foundation (OISE-1854133), 10/2019-9/2022, \$299,993. PI: **E. Kumpel**; Co-PI: J. Taneja, C. Brown

“Scoping Study for Integrating Equity of Water Access and Stormwater Drainage into Water Planning Models for Mexico City.” World Bank, 06/2018, \$49,909. PI: C. Brown; Co-PI: **E. Kumpel**

“CBET-EPSRC: Characterizing the effects of supply hours and pressure of intermittent piped water supplies on water quality.” National Science Foundation (CBET-1804232), 9/2018-8/2021, \$321,405. PI: **E. Kumpel**; Co-PI: C. Butler

“Freshwater Resilience Partnership: Technical Support to Advance Freshwater Resilience,” Rockefeller Foundation, 9/2018-8/2019, \$500,006. PI: C. Brown. Co-PI: **E. Kumpel**, C. Gleason

“Water Quality in DCR Reservoirs 2018-2020,” Massachusetts Department of Conservation and Recreation, Division of Water Supply Protection, 07/2018-06/2020, \$269,374. PI: J. Tobiason. Co-PI: **E. Kumpel**, C. Gleason

“Freshwater Resilience Partnership: Technical Support to Advance Freshwater Resilience,” Rockefeller Foundation, 03/2017-8/2018, \$599,313. PI: C. Brown. Co-PI: **E. Kumpel**, C. Gleason

INTERNALLY-SUPPORTED PROJECTS

“Mutual Mentoring Team Grant,” Institute for Teaching Excellence & Faculty Development (TEFD) at University of Massachusetts Amherst. 9/2018-8/2019, \$6,000. PI: Kara Peterman. Co-PI: Caitlyn Butler, Eleni Christofa, Song Gao, Emily Kumpel

SELECTED PRESENTATIONS

1. *Accounting for Households' Use of Multiple Water Sources*. Association of Environmental Engineering and Science Professors, Arizona State University, Phoenix, AZ, May 2019.
2. *Water quality and access in intermittently supplied piped water distribution systems*. Sixth Arab-American Frontiers of Science, Engineering, And Medicine Symposium, Kuwait City, Kuwait [poster]
3. *More than a pipe dream: A discussion on research, practice, and policy around intermittent piped water supplies*. Convened side event at Water and Health, University of North Carolina at Chapel Hill. Oct 2018.
4. *Efficacy of Microbial Sampling Recommendations and Practices in sub-Saharan Africa*. Gordon Research Conference, Environmental Science: Water, Holderness, NH June 2018
5. *Measuring the impact of intermittent piped water supply on water quality and quantity in Hubli-Dharwad, India*. Ashoka Trust for Research in Ecology and the Environment, Bangalore, India. January 2018
6. *Water quality monitoring in sub-Saharan Africa*. International Water Association North America, University of Michigan, Ann Arbor. June 2017.
7. *Improving sampling strategies for microbial water quality monitoring in low-resource settings*. Association of Environmental Engineering and Science Professors, University of Michigan, Ann Arbor. June 2017.
8. *Availability and flows of regulatory microbial water quality testing data in sub-Saharan Africa*. UNC Water Microbiology, University of North Carolina at Chapel Hill. May 2017 [poster].
9. *Measuring and monitoring urban water systems*. Seminar. Carnegie Mellon University – Rwanda Campus. Kigali, Rwanda, October 2016.
10. *Impact Assessment of Water Safety Plans in the Asia Pacific Region*. Global Water Safety Conference, Puerto Princessa, Palawan, Philippines, April 2016.
11. *Measuring and monitoring urban water systems: Understanding mechanisms of contamination in drinking*

- water supplies*. Invited seminar, University of Virginia, March 2016.
12. *Towards safe and sustainable urban water systems: Understanding mechanisms of contamination in drinking water supplies*. Invited seminar, University of Massachusetts Amherst, March 2016.
 13. *Urban water services in fragile states: Water supply and quality in Port Harcourt, Nigeria*. Water and Health, University of North Carolina at Chapel Hill. October 2015 [poster].
 14. *Mobile platform for water quality data management in Senegal*. 2015 World Water Week, Information technologies for a smarter water future, Stockholm, Sweden, Aug 2015.
 15. *Do post-2015 frameworks indicate water quality in sub-Saharan African?* 2015 World Water Week, Implementing the SDGs in the Post-2015 Development Agenda, Stockholm, Sweden, Aug 2015 (poster)
 16. *Water quality in Port Harcourt*. Fragile States Review, World Bank, Nairobi, Kenya, Mar 2014
 17. *Impact evaluation for switching from intermittent to 24x7 water supply in Hubli-Dharwad, India*. Invited presentation at the World Bank and ICRIER in Delhi, India, July 2013.
 18. *Do post-2015 frameworks indicate water quality in sub-Saharan African?* Water and Health, UNC Chapel Hill, NC, Oct 2014.
 19. *Monitoring for safe water: Microbial water testing methods and drinking water quality in Africa*. African Water Congress, Abidjan, Ivory Coast, Feb 2014.
 20. *Evaluation of intermittent versus 24x7 water supply in Hubli-Dharwad, India*. IWA Development Congress, Nairobi, Kenya, Oct 2013.
 21. *Comparing water quality in an intermittent and continuous piped water supply in Hubli-Dharwad, India*. University of Maryland, College Park, MD, Feb 2013.
 22. *The challenge of providing safe water with an intermittently supplied piped water distribution system*. Poster, American Geophysical Union, San Francisco, CA, Dec 2012.
 23. *Comparing water quality in intermittent and continuous piped water supplies in urban India*. Environmental Engineering Seminar at UC Berkeley, Nov 2012.
 24. *NextDrop: Implementation challenges*. Emily Kumpel. WASH in Real Time: Making Better Decisions Through Use of Mobile Applications (workshop). Water and Health, UNC Chapel Hill, NC, Nov 2012.
 25. *NextDrop: Using human observations to track water distribution*. USENIX Networked Systems for Developing Regions '12, Boston, MA, June 2012
 26. *Mechanisms affecting water quality in intermittent piped water distribution systems*. American Water Works Association ACE, Dallas, Texas, June 2012.
 27. *Impact on water quality of the conversion from intermittent to continuous piped water supply in urban South India*. Water and Health, UNC Chapel Hill, NC, Oct 2011. Top Student Abstract.
 28. *Water quality and household behaviors affecting water quality in an intermittent and continuous urban piped water supply*. Singapore Water Week, Singapore, June 2010.
 29. *A volunteer-led effort linking research to development practice to promote safe water and hygiene in slums in India*. WEF: Disinfection, Atlanta, GA, Mar 2009.
 30. *Systematic review of social factors contributing to the sustainability of small community water supplies*. International Small Community Water Supply Network, Kampala, Uganda, Nov 20, 2008.

REPORTS AUTHORED

1. Kumpel, E., R. Peletz, J. Kisiangani, and R. Khush (2016). "Water Safety Plan Impact Assessment in the Asia Pacific Region". Report to the World Health Organization. August 2016.
2. Kumpel, E. and R. Khush (2015). "Final Report: Water Quality Testing Study in Port Harcourt, Nigeria". Report to the World Bank Water and Sanitation Program. 10 December 2015.
3. Kumpel, E., J. Albert and R. Khush (2014). "Final Report: Water Quality Testing Study in Port Harcourt, Nigeria". Report to the World Bank Water and Sanitation Program. 4 September 2014.

FELLOWSHIPS, HONORS, AND AWARDS

- | | |
|------|---|
| 2020 | Family Research Scholar, Center for Research on Families, University of Massachusetts Amherst |
| 2011 | First Place in the Global Social Venture Competition for NextDrop |
| 2011 | Winner of the Knight News Foundation Challenge for NextDrop |
| 2011 | Water and Health Conference Top Student Abstract (University of North Carolina, Chapel Hill) |
| 2006 | National Science Foundation Graduate Research Fellowship |
| 2006 | Chancellor's Fellowship for Graduate Study (University of California, Berkeley) |
| 2006 | First place for the Johns Hopkins University Mechanical Engineering Senior Design Project |
| 2005 | American Society of Mechanical Engineers Kenneth Andrew Roe Scholarship |

SERVICE*Professional Service:*

Management Committee member, International Water Association Intermittent Water Supply Specialist Group (IWS SG) (2020-)

Co-Chair, “Water, Food, Environment” Session, Arab-American Frontiers, Engineering, US National Academies of Sciences, Engineering, and Medicine (NASEM) and Hamad Bin Khalifa University (HBKU), Qatar (2020)

North East Graduate Student Water Symposium (NEGSWS), Faculty Advisor (2018-)

National Science Foundation Review Panels 2018, 2019 (CMMI, CBET)

Department and College:

Environmental and Water Resources Engineering Faculty Search Committee, Civil and Environmental Engineering, UMass Amherst (2019-2020)

Department Head Search Committee, Civil and Environmental Engineering, UMass Amherst (2018-2019)

Engineers Without Borders, Faculty Advisory, UMass Amherst (2017-)

Summer Engineering Institute (SENGI), College of Engineering, UMass Amherst (2018)

Designed half-day activity for high school students

AEESP Distinguished Lecturer Coordinator, UMass Amherst (2018)

Chapter Advisor, Engineers Without Borders, UMass Amherst (2017-present)

Feng Lecture Coordinator, Civil and Environmental Engineering, UMass Amherst (2017)

Peer-review:

Journals (selected): Environmental Science and Technology; Water Research; Journal of Water, Sanitation, and Hygiene for Development; Information Technologies and International Development; International Journal of Hygiene and Environmental Health; International Journal of Environmental Research and Public Health, Journal of Cleaner Production, Environmental Science: Water Research & Technology, Science of the Total Environment, npj Clean Water, npj Urban Sustainability, Environmental Engineering and Science, Water SA

Conferences: Water and Health Conference (UNC Chapel Hill, 2014, 2019)

Reviewer: Graduate Women in Science (2017), Big Ideas at Berkeley (2016)

Affiliations: Association of Environmental Engineering and Science Professors (AEESP), American Water Works Association; International Water Association; Tau Beta Pi, Pi Tau Sigma

OTHER ACTIVITIES

2017-2018	Sustainability Curriculum Fellowship, UMass Amherst
2017	Participant, QMRAIII, U. of Washington, Center for Advancing Microbial Risk Assessment
2011-2012	Mentor for NSF International Research Experience for Students (OISE-1031194)
2012	Project Advisor for UC Berkeley CE209: Design for Sustainable Communities
2009-2013	Co-Founder and Advisor, NextDrop, Bangalore, India
2010-2012	Founding member, UC Berkeley Water and Sanitation Idea Lab
2010	Consultant, Health Canada
2008	Intern, World Health Organization, Geneva, Switzerland
2006-2008	Project Director, Haath Mein Sehat, Engineers for a Sustainable World (Berkeley and Mumbai)
2005-2006	Intern, Catholic Relief Services, Baltimore, MD, and Antananarivo, Madagascar
2005	Teaching Assistant, Department of Mechanical Engineering, Johns Hopkins University
2002-2008	Board Member, Phelps Stokes Fund, Washington, DC
2005	Undergraduate Research Assistant, University of Dar es Salaam, Tanzania

COUNTRY-SPECIFIC FIELD RESEARCH EXPERIENCE

India (3 years, residence), Kenya (3.5 years, residence), Senegal, Nigeria, Uganda, Madagascar, Tanzania, Sri Lanka, Mexico, United States
